SMALL AND MIGHTY
BLAST OUT GREASE AND GRIME

- PORTABLE AND ECONOMICAL

GVC-390
Portable Steam Cleaner
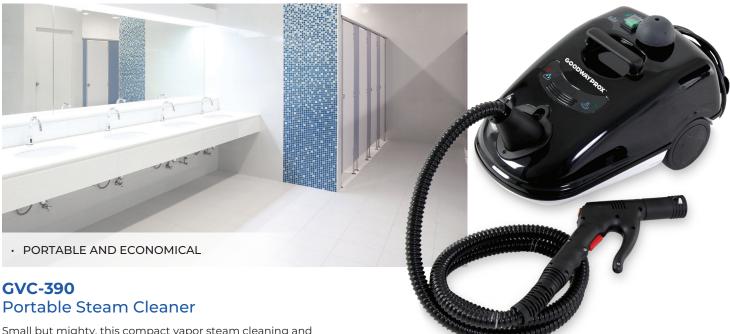

Small but mighty, this compact vapor steam cleaning and sanitizing system uses the grease and bacteria-busting power of dry steam to quickly clean various surfaces without chemicals. The unit is easy-to-use. Just plug it in and go. Plus, it uses a simple lighting system to tell you when the unit is on or needs a refill! GVC-390 comes with a selection of accessories and a long hose, making it the perfect system for cleaning hotel rooms, bathrooms, eliminating bed bugs and pests, small equipment, production surfaces, and more.

The power of dry steam is the secret sauce to cleaning without chemicals. A powerful 1700-watt boiler produces 311° F dry steam that obliterates oils, grease – and bacteria – on contact.

GVC-390 Steam Cleaner, including Steam Gun and Hose, Nozzle, Filler Bottle, 1" Circular Nylon Brush, 1" Circular Bronze Brush, 2.5" Circular Nylon Brush, Drain Tool Attachment, Extension Tubes (pair), Rectangular Brush, Rectangular Pad, Triangular Brush, Triangular Pad, Squeegee, Thermofiber Towel (3-Pack)
